

Is it a Pressure Ulcer, or is it Something Else? WebEx

Continuing Education Recorded WebEx for Health Care Professionals

Quality Insights of Pennsylvania is now offering 1.25 nursing contact hours for the completion of a pre-recorded WebEx titled, “Is it a Pressure Ulcer, or is it Something Else?”

The WebEx is designed for nurses and other health care professionals. Certificates will be provided upon the successful completion of the package, evaluation and post-test.

To access the recording, please visit Quality Insights’ Web site at www.qipa.org/pa/medical_professionals/training/default.aspx.

Objectives:

1. Identify skin conditions classified as ulcers that are not related to pressure.
2. Differentiate between arterial, venous, diabetic and pressure ulcers.
3. Select evidence-based wound treatment for various types of wounds.

Please contact Lisa Miller at 1.877.346.6180, ext. 7690 or lmiller@paqio.sdps.org with any questions.

Quality Insights of Pennsylvania is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

There is no conflict of interest on the part of the presenter/speaker or any member associated with planning, development, or evaluation of this workshop program.
